PRAIRIE SONG METROPOLITAN DISTRICT NO. 1
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

Prairie Song Metropolitan District No. 1 is a quasi-municipal corporation organized and operated pursuant to the provisions set forth in the Colorado Special District Act. The District was established as part of a community located in the Town of Windsor, Colorado. The District was organized to provide streets, traffic safety controls, street lighting, sanitary sewer, water, landscaping, storm drainage, mosquito control and park and recreational improvements; and to provide the operation and maintenance of these improvements for the benefit of the landowners and residents of the District.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2025 budget, the following goals are foremost for the District:

To provide the level of services desired by the constituents of the District in the most economic manner possible

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District is authorized to levy up to 20.872 mills adjusted for changes in the ratio of actual value to assessed value of the property within the District for operations and maintenance.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes the District's share will be equal to approximately 6 % of the property taxes collected.

Net Investment Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4%.

PRAIRIE SONG METROPOLITAN DISTRICT NOS. 4 & 8 INFRASTRUCTURE ACQUISITION REPORT #1

INTRODUCTION

Independent District Engineering Services, LLC (the “Engineer”) was hired by the Prairie Song Metropolitan District Nos. 4 & 8 (the “District”) to review the Application for Acquisition of District Infrastructure, observe of the infrastructure proposed for District Acquisition, and make recommendation to the District regarding acquisition of the infrastructure.

The infrastructure proposed for District acquisition were constructed by Prairie Song Development LLC (the “Developer”). The infrastructure proposed for acquisition include the Filing 1 Tract C pump house structure, underdrain pumps, and stand by diesel generator. The report specifically excludes the non-potable irrigation pumps as they have not yet been commissioned. A map generally depicting the infrastructure is included as Attachment A.

REFERENCE DOCUMENTS

The following documents were used in determining recommendations for this report:

- Consolidated Service Plan for Prairie Song Metropolitan District Nos. 1-9, Town of Windsor Colorado, Prepared by White Bear Ankele Tanaka & Waldron, dated September 27, 2021.
- Infrastructure Acquisition and Project Fund Disbursement Agreement, by and between Prairie Song Metropolitan District No. 4, Prairie Metropolitan District No. 8 and Prairie Song Development, LLC, dated March 24, 2022.
- Agreement Regarding Project Fund Disbursements for Pump House and Prairie Song Park, by and between Prairie Metropolitan District No. 8, Prairie Song Metropolitan District No. 4, and Prairie Song Development, LLC, dated October 18, 2022.

APPLICATION FOR ACQUISITION OF DISTRICT INFRASTRUCTURE REVIEW

The Engineer reviewed the documents submitted by the Developer as part of the Application for Acquisition of District Infrastructure. The documents reviewed will be provided to the District via a downloadable link and the Engineer’s findings are summarized below.

Contracts and Approved Change Orders

- The Developer has provided all applicable contracts and approved change orders related to the District Infrastructure included in this report as part of the cost certification process.

Copies Of All Invoices, Statements, and Evidence of Payment

- Select lien waivers were provided for the invoices provided. The Engineer recommends the District accept an indemnification agreement in place of lien waivers.

Warranty Agreement

- The Engineer was not provided a copy of the warranty agreement. The Engineer recommends the Developer provide an executed form of warranty agreement at the time of District acquisition.

Real Property Interests

- The Tacincala Subdivision plat denotes the Metro District for ownership and maintenance of Tract C. It is the Engineer's understanding that all construction drawings have been approved by the appropriate entities and the State of Colorado Division of Water Resources (DWR) well construction permit has been closed. It is the Engineer's belief that all real property interests necessary to permit the District's use and occupancy of the District Infrastructure will be granted.

Special Warranty Deed

- No special warranty deed was provided for the Engineer's review. The Engineer recommends the Developer provide the District with a special warranty deed for Tract C of the Tacincala Subdivision plat. Note that the Developer has requested temporary access to the Tract for the completion of non-potable irrigation system and park improvements.

Bill of Sale for Public Infrastructure

- The Engineer was not provided with an executed bill of sale. The Engineer recommends the Developer provide an executed bill of sale for the pump house structure, underdrain pumps, and back-up generator at the time of District acquisition.

Construction Drawings

- The Developer has provided construction drawings, plans, shop drawings and any applicable construction standards for the infrastructure.

Record Drawings

- The Developer has provided digital record drawings for the underdrain system. The Engineer relied on the designer of records statements to determine if the drawings are in a form reasonably acceptable.

Landscape Plan and Certification

- No landscaping improvement associated with the infrastructure included in this report were constructed by the Developer. The District has contracted the landscaping for the areas surrounding the pumphouse with Mill Brothers Landscaping Inc.

Operation and Maintenance Manuals

- The developer has provided operation and maintenance manuals for building, electric gear, standby diesel generator, plumbing, and HVAC systems. The Engineer recommends the District contracts the appropriate professionals to maintain and service the infrastructure as needed.

Electronically Locatable Underground Facilities

- This requirement is not applicable to the infrastructure being conveyed as part of this report.

Test Results

- The Developer has completed testing of the infrastructure. The Engineer relied on the designer of records statements to determine the results were acceptable.

IMPROVEMENT OBSERVATION

The Engineer, Developer, and District managers performed a site observation on March 5th, 2024. Representative photos taken during the site observation are included as Attachment B. The Engineer visually observed the infrastructure and the Developer provided an operations tutorial. The Engineer has prepared a punch list of the defective work identified during the site observation and included it as Attachment C. The Engineer believes the items identified should not hold up District acquisition of the infrastructure if the Developer agrees to make the repairs in a timely manner and as weather permits.

Observation of select improvement components was determined to be infeasible. The Developer has provided a letter signed by designer of record affirming to the best of their knowledge, based on the as-built survey provided by others and information provided to date by the well and pump installation contractors, that the underdrain system installed for the Prairie Song Development Filing 1 meets the intent of the approved design. The Engineer has relied upon the design engineer certification to confirm the infrastructure was inspected for compliance with approved plans, constructed in accordance with the approved plans, and are fit for their intended purpose.

RECOMMENDATION

Subject to the level of analysis noted in this report it is in the Engineers professional opinion that the District Infrastructure has been inspected for compliance with the approved construction plans; the District Infrastructure has been substantially constructed in accordance with the construction drawings; and the District Infrastructure is fit for its intended purpose. The infrastructure costs reviewed as part of the cost certification reports were determined to be reasonable and not more than the then-current market value. The Engineer may certify additional costs as part of future reports.

The Engineer recommends acquisition of the District Infrastructure subject to the following:

1. Receipt of an executed indemnification agreement
2. Receipt of an executed form of warranty agreement
3. Receipt of an executed special warranty deed
4. The District permits temporary access to the Developer for the purpose of completing the non-potable water and park improvements
5. Receipt of an executed bill of sale
6. The Developer agrees to complete the items noted in the corrective action punch list in a timely fashion.

Should you have any questions or require further information please feel free to contact us.

Respectfully Submitted,
Independent District Engineering Services, LLC

RE: Prairie Song Filing No.1 Underdrain System General Compliance
[Galloway Project No. HFH 21]

Dear Mr. McMeekin,

Please accept this letter as formal documentation of conformance of the multi-faceted Prairie Song Filing No. 1 Underdrain System with the design plans. The system is located northwest of SH 257 and the future extension of Weld County Road 70 (WCR 70) in Windsor, Colorado. The Prairie Song Filing No. 1 Underdrain System consists of the following major components: a) the Filing No. 1 collection system, b) the groundwater lift station in Pump House No.1, c) the outlet pipe including Bypass No. 1, and d) the outfall pipe. The Prairie Song underdrain outfall ties into a Ventana Stormdrain Lateral which then ties into the 15th Avenue Stormdrain that outfalls to the Cache la Poudre River.

Galloway & Company, Inc. has completed record drawings based on as-built surveying provided by others. As part of the State of Colorado Division of Water Resources (DWR) well construction permit closeout; forms GWS-31 Well Construction and GWS-32 Pump Installation were completed and signed off by the respective installation contractor. On August 9th, 2023, in support of closing out the DWR Well Construction Permit No. 85918F and the conversion of the well construction permit to a permanent permit, I visited Pump House No. 1 to observe the operation of the groundwater lift station. On August 11, 2023, the requisite GWS-31 & -32 forms along with the system record drawings were forwarded to the DWR. On August 14th, confirmation that DWR has the submittal under review was received (See Attachment A) and we are currently awaiting DWR's approval.

In summary, I hereby affirm to the best of my knowledge, based on the as-built survey provided by others and information provided to date by the well and pump installation contractors, that the underdrain system installed for the Prairie Song Development Filing 1 meets the intent of the approved design.

Should you require any additional information, please do not hesitate to contact me at (970) 800-3300.

Sincerely,
GALLOWAY

WHEREAS, pursuant to the Colorado Constitution Article XIV, Section 18(2)(a), and § 29-1-203, C.R.S., the Districts may cooperate or contract with each other to provide any function, service or facility lawfully authorized to each, and any such contract may provide, *inter alia*, for the sharing of costs, the imposition of taxes, and the incurring of debt; and

WHEREAS, § 29-1-201, C.R.S., permits and encourages governments to make the most efficient and effective use of their powers and responsibilities by cooperating and contracting with other governments; and

WHEREAS, pursuant to § 32-1-1001(1)(d)(I), C.R.S., the Districts are empowered to enter into contracts and agreements affecting the affairs of the Districts; and

WHEREAS, the Districts were organized for the purpose of providing for the financing, construction, installation, operation and maintenance of public infrastructure and improvements serving an approximately 270 acre residential development in the Town of Windsor (the “**Town**”), Weld County (the “**County**”), Colorado, referred to as “Prairie Song” (the “**Project**”); and

WHEREAS, at elections of the qualified electors of each of the Districts, duly called and held on November 2, 2021 (collectively, the “**Election**”), in accordance with law and pursuant to due notice, a majority of those qualified to vote and voting at the Election voted in favor of, *inter alia*, the imposition of taxes for the purpose of providing certain public improvements and facilities (such public improvements and facilities, to the extent authorized by the Service Plan, are referred to herein as the “**Public Improvements**”), and entering into intergovernmental agreements or other contracts, without limit as to term, with other governmental entities and political subdivisions of the state; and

WHEREAS, it is anticipated that certain of the Public Improvements will be dedicated or otherwise conveyed to the Town, the County, or other public entity, or to an owners' association within the boundaries of the Districts, and that the Coordinating District: (i) will own, operate and maintain all Public Improvements within the boundaries of the Districts that are not dedicated to the Town, County, any other public entity, or an owners' association; and (ii) may provide trash service, architectural review, and covenant enforcement services to all or a portion of the property within the boundaries of the Districts; and

WHEREAS, the Districts anticipate that, upon completion of the Project, the Districts will cooperate to consolidate or otherwise convey maintenance and operations to only one District; and

WHEREAS, the Districts acknowledge that this Agreement does not impose any obligations on the Districts with respect to capital costs for the Public Improvements; and

TERMS AND CONDITIONS

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Administrative Services. The Coordinating District agrees to perform the administrative services described in **Exhibit A**, attached hereto and incorporated herein by this reference (the “**Administrative Services**”), for and on behalf of the Financing Districts, in compliance with all applicable federal, state, county and local or municipal body or agency statutes, ordinances and regulations, provided that each Financing District observes and performs the covenants and agreements set forth in this Agreement. The Coordinating District may suspend or curtail Administrative Services in its discretion as necessary or appropriate to address funding shortfalls that have occurred or are anticipated. The Coordinating District shall have the authority to enter into service contracts with third-parties to provide any Administrative Services required to be provided by the Coordinating District. In the event of any conflict between terms set forth in the body of this Agreement and terms set forth in Exhibit A, the terms in the body of this Agreement shall govern.

2. Ownership, Operation and Maintenance of Public Improvements. The Coordinating District will own, operate and maintain all Public Improvements within the boundaries of the Districts that are not otherwise dedicated or conveyed to the Town, the County or other public entity or owners’ association, in accordance with the Service Plan and any approved development plans for the Project. The Coordinating District agrees to provide those operation and maintenance services described in **Exhibit B**, attached hereto and incorporated herein by this reference (the “**O&M Services**”) for the benefit of the Districts, provided that each Financing District observes and performs the covenants and agreements set forth in this Agreement. The Coordinating District may suspend or curtail O&M Services in its discretion as necessary or appropriate to address funding shortfalls that have occurred or are anticipated. The Coordinating District shall have the authority to enter into service contracts with third-parties to provide any O&M Services required to be provided by the Coordinating District. The Coordinating District may adopt rules, regulations, policies and procedures governing the Coordinating District’s acceptance and, as applicable, reimbursement for any Public Improvements.

3. Payment for Administrative and O&M Services. The Financing Districts shall be responsible for any and all costs, fees, charges and expenses incurred by the Coordinating District (collectively, the “**Costs**”) in providing the Administrative Services and O&M Services (collectively, the “**Services**”). Costs may include but are not limited to, all fees of consultants (including managers, accountants, engineers, attorneys, auditors, and other consultants), utility charges, and service provider fees and charges. It is the desire and intent of the Districts that, to

the extent possible, the Costs for the Services be paid by the imposition by each Financing District of an ad valorem mill levy against the taxable property lying within its boundaries; provided, however, that any decision to appropriate revenues to pay the Costs is solely in the discretion of each Board and no revenues are pledged to the payment thereof. Nevertheless, nothing herein shall be construed as a limitation on the powers granted to the Financing Districts by Colorado law to use alternative sources of revenue to pay the Coordinating District for the Costs.

4. Budget Process

a. Preliminary Budget. Each year the Coordinating District shall prepare and submit to the Financing Districts that are on active status pursuant to C.R.S. § 32-1-104 (the “**Active Financing Districts**”) a preliminary budget for the following fiscal year showing the Services to be provided and the proposed Costs anticipated to be incurred by the Coordinating District with respect to the Services (the “**Preliminary Budget**”). The Coordinating District shall deliver the Preliminary Budget to the Active Financing Districts on or before October 15 of each year.

b. Budget Review and Approval. Unless otherwise agreed to by the Districts, on or before November 1 of each year each Active Financing District shall either: (a) approve the Preliminary Budget (in which case the Preliminary Budget shall become the “Final Budget” for the applicable fiscal year, or (b) propose in writing to the Coordinating District additions to and/or deletions from the Preliminary Budget. If any Active Financing District does not provide a proposal for additions to and/or deletions from the Preliminary Budget in writing by November 1, such Active Financing District shall be deemed to have approved the Preliminary Budget as presented. If any Active Financing District does timely provide additions to and/or deletions from the Preliminary Budget, the Districts shall discuss and attempt in good faith to reach an agreement with respect to the Preliminary Budget on or before November 15 of each year.

c. Failure to Agree and Default Budget. In the event that the Coordinating District and the Active Financing Districts are unable to agree with regard to any proposed additions and/or deletions to the Preliminary Budget by November 15 of any year, then the Districts shall submit the Preliminary Budget to a mutually selected mediator in an attempt to reach agreement with respect to the Preliminary Budget. In the event the Districts cannot agree on a resolution to the dispute related to the Preliminary Budget by December 1st of any year, the Preliminary Budget with any revisions agreed to by the Districts to date shall be incorporated into and deemed to be the Final Budget; provided, however, that such Final Budget shall not include expenditures totaling the greater of: (1) 120% of the expenditures set forth and appropriated in the adopted budget for the current fiscal year, as the same may have been amended; or (2) 120% of the expenditures set forth in the Preliminary Budget that the Districts have agreed upon to date to be included in the Final Budget for the ensuing year. The budgeting, appropriation, and payments of the amounts called for in the Final Budget shall be made by the Active Financing Districts.

d. Budget Amendment. If after adoption of the Final Budget it appears to the Coordinating District that Costs for the year will exceed amounts as set forth in the Final Budget such that the Active Financing Districts will have to appropriate additional funds for the payment of the Costs for the year, the Coordinating District shall notify the Active Financing Districts as

soon as reasonably practicable, and shall prepare and submit a proposed budget amendment to the Final Budget (each a “**Preliminary Budget Amendment**”) to the Active Financing Districts for review and comment. Within fifteen (15) days of submission of a Preliminary Budget Amendment to the Active Financing Districts, each Active Financing District shall either: (a) approve the Preliminary Budget Amendment (in which case the Preliminary Budget Amendment shall become the “Final Budget Amendment”, or (b) propose in writing to the Coordinating District additions to and/or deletions from the Preliminary Budget Amendment. If any Active Financing District does not provide a proposal for additions to and/or deletions from the Preliminary Budget Amendment in writing within fifteen (15) days as required herein, such Financing District shall be deemed to have approved the Preliminary Budget Amendment as presented. If any Active Financing District does timely provide additions to and/or deletions from the Preliminary Budget Amendment, the Districts shall discuss and attempt in good faith to reach an agreement with respect to the Preliminary Budget Amendment within thirty (30) days of the submission of the Preliminary Budget Amendment to the Active Financing Districts from the Coordinating District. In the event that the Coordinating District and the Active Financing Districts are unable to agree with regard to any proposed additions and/or deletions to the Preliminary Budget Amendment within the time provided herein, then the Parties shall submit the Preliminary Budget Amendment to a mutually selected mediator in an attempt to reach agreement with respect to a Final Budget Amendment. In the event the Districts cannot agree on a Final Budget Amendment within the time set forth above, the Preliminary Budget Amendment, with any revisions agreed to by the Districts to date, shall be incorporated into and deemed to be the Final Budget Amendment; provided, however, that the Final Budget Amendment shall not include expenditures totaling the greater of: (1) 120% higher than the expenditures set forth and appropriated in Final Budget being amended by the Final Budget Amendment, or (2) 120% of the expenditures set forth in the Preliminary Budget Amendment that the Districts have agreed upon to date to be included in the Final Budget Amendment. The budgeting, appropriation, and payments of the amounts called for in said Final Budget Amendment shall be made by the Active Financing Districts.

5. Deposit. Unless otherwise agreed by the Coordinating District, the Active Financing Districts, on or before the 15th day of each month, shall deposit with the Coordinating District an amount equal to 1/12th of the annual Costs due from such Active Financing District as determined by the Final Budget. Notwithstanding the foregoing, the Districts acknowledge that the Active Financing Districts may fund the Costs via the imposition of an ad valorem mill levy, and in such case, may not have funds available during the first quarter of each fiscal year to make the payments set forth herein. In such event, the Coordinating District agrees to defer collection of such amounts until such time as the Active Financing Districts have collected the funds for the Costs via the collection of taxes imposed through an ad valorem mill levy. All Costs due to the Coordinating District from the Active Financing Districts shall be paid in lawful money of the United States of America by check mailed or delivered, or by wire transfer, to the Coordinating District, or such other method as may be mutually agreed to by the Districts. The Coordinating District shall keep a record of and account for all deposits made by the Active Financing Districts in accordance with generally acceptable accounting principles.

6. Fees and Charges. The Districts acknowledge that the Coordinating District will incur certain direct and indirect costs associated with the provision of the O&M Services in order to properly provide the O&M Services and to ensure that the health, safety and welfare of the

Districts and their inhabitants may be safeguarded. The Financing Districts further recognize and acknowledge that the Coordinating District is providing the O&M Services for the direct benefit of the Financing Districts and the property owners within their boundaries, and that pursuant to § 32-1-1001(1)(j)(I), C.R.S., the Coordinating District is authorized to fix and impose fees, rates, tolls, penalties and charges for services or facilities furnished by the Coordinating District which, until paid, shall constitute a perpetual lien on and against the property served. The Districts agree that the Coordinating District may from time to time establish a fair and equitable fee to provide a source of funding to pay for the O&M Services (the “User Fees”), which User Fees are to be reasonably related to the overall cost of providing the O&M Services, and be imposed on those who are reasonably likely to benefit from or use the O&M Services (the “Users”). The Financing Districts acknowledge that the Coordinating District will make determinations as to the appropriate User Fees, taking into account mill levy revenues to be received from the Financing Districts in each fiscal year. The Financing Districts agree to cooperate with the Coordinating District in the collection of all User Fees due and owing, including but not necessarily limited to foreclosure as against the statutory perpetual lien associated with such User Fees.

7. Subject to Annual Appropriation and Budget. Notwithstanding anything contained herein to the contrary, the Districts agree that the Districts’ obligations under this Agreement shall extend only to monies appropriated for the purposes of this Agreement by the Board of each District and shall not constitute a mandatory charge, requirement or liability in any ensuing fiscal year beyond the then-current fiscal year. No provision of this Agreement shall be construed or interpreted as a delegation of governmental powers by the Districts, or as creating a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever of the Districts, including, without limitation, Article X, Section 20, or Article XI, Sections 1, 2 or 6 of the Constitution of the State of Colorado.

8. Rules and Regulations. The Districts acknowledge and agree that the Coordinating District may enact, from time to time, rules and regulations with respect to the Public Improvements and Services. All rules and regulations, and amendments thereto, adopted and placed in force by the Coordinating District from time to time shall be fully enforceable within all Districts and against all Users. The Financing Districts agree to exercise authority and/or power they may have to assist the Coordinating District in enforcing the Coordinating District’s rules and regulations.

9. General Representations. In addition to the other representations, warranties and covenants made by the Districts in this Agreement, the Districts make the following representations, warranties and covenants to each other:

a. Each District has the full right, power and authority to enter into, perform and observe this Agreement.

b. This Agreement is a valid, binding and legally enforceable obligation of the Districts and is enforceable in accordance with its terms.

c. The Districts shall keep and perform all of the covenants and agreements contained in this Agreement and shall take no action that could have the effect of rendering this Agreement unenforceable in any manner.

10. Default, Remedies and Enforcement.

a. Events of Default. The violation of any provision of this Agreement by any District, the occurrence of any one or more of the following events, and/or the existence of any one or more of the following conditions shall constitute an “Event of Default” under this Agreement.

i. The failure to pay any payment when the same shall become due and payable as provided herein and to cure such failure within three (3) business days of the giving of notice by a District of such failure;

ii. The failure to perform or observe any other covenants, agreements, or conditions in this Agreement on the part of any District and to cure such failure within ten (10) days of receipt of notice from any of the other Districts of such failure; provided, however, that if the applicable default is of a nature that the same is not reasonably susceptible of being cured within such 10-day period, then the cure period shall extend so long as the defaulting District commences its cure within such 10-day period and thereafter pursues the cure to completion by the exercise of due diligence, as determined by the non-defaulting District(s);

iii. The filing of a voluntary petition under federal or state bankruptcy or insolvency laws by a District or the appointment of a receiver for any of a District’s assets which is not dismissed within thirty (30) days of such filing or appointment;

iv. Assignments by a Financing District for the benefit of a creditor and a failure to secure the release or termination of such assignments within thirty (30) days after the making of such assignments; or

v. The dissolution, insolvency, or liquidation of a District and a failure to cure such dissolution, insolvency or liquidation within ten (10) days of receipt of written notice.

b. Remedies on Occurrence of Events of Default. Upon the occurrence of an Event of Default, the non-defaulting District(s) hereto shall have the following rights and remedies:

i. In the event of breach of any provision of this Agreement, any non-defaulting District may ask a court of competent jurisdiction to enter a writ of mandamus to compel the Board of the defaulting District to perform its duties under this Agreement, and any non-defaulting District may seek from a court of competent jurisdiction temporary and/or permanent injunctions, or orders of specific performance, to compel the defaulting District to perform in accordance with the obligations set forth under this Agreement.

ii. The non-defaulting Districts may protect and enforce their rights under this Agreement by such suit, action, or special proceedings or remedies as they shall deem appropriate, including without limitation any proceedings for specific performance of any covenant or agreement contained herein, for the enforcement of any other appropriate legal or equitable remedy, or for the recovery of damages caused by breach of this Agreement, including attorneys' fees and all other costs and expenses incurred in enforcing this Agreement or exercising any available remedies. If, at any time, there shall cease to be electors in the Coordinating District, or if no electors of the Coordinating District are willing to act as directors of the Coordinating District, any Financing District may ask a court of competent jurisdiction to designate the proper persons to assume control of the Coordinating District for purposes of causing the performance of the Coordinating District's obligations under this Agreement.

iii. In the event the Event of Default is non-payment by a Financing District, the Coordinating District may:

(a) Suspend the provision of the Services until such time as such Financing District cures such Event of Default; and/or

(b) Impose User Fees directly upon the Users for the provision of the O&M Services in lieu of collecting the Costs related to the O&M Services from such Financing District. In such event, methods of collection of the User Fees shall be determined by the Coordinating District. The Coordinating District shall have the right to delegate or assign such impositions and collection power to a billing or service entity of its choice.

iv. To terminate this Agreement for any Event of Default that causes the non-defaulting District(s) irreparable harm material to their aggregate interests under this Agreement.

v. To take or cause to be taken such other actions as the non-defaulting District(s) reasonably deem necessary.

c. Delay or Omission No Waiver. No delay or omission of any District to exercise any right or power accruing upon any Event of Default shall exhaust or impair any such right or power or shall be construed to be a waiver of any such Event of Default, or acquiescence therein.

d. No Waiver of One Default to Affect Another; All Remedies Cumulative. No waiver of any Event of Default hereunder by any District shall extend to or affect any subsequent or any other then existing Event of Default or shall impair any rights or remedies consequent thereon. All rights and remedies of the non-defaulting District(s) provided herein may be exercised with or without notice, shall be cumulative, may be exercised separately, concurrently or repeatedly, and the exercise of any such right or remedy shall not affect or impair the exercise of any other right or remedy.

11. Termination. The Districts acknowledge that they are part of an integrated project and community, that the Public Improvements are not easily partitioned among the Districts and

that cooperation in the termination process will be necessary to ensure that the integrity and quality of the community is maintained.

a. Administrative Services. A Financing District may terminate this Agreement as it relates to the provision of Administrative Services by the Coordinating District for that Financing District upon ninety (90) days' written notice to the Coordinating District. If this Agreement is terminated by any Financing District in relation to Administrative Services, the Coordinating District shall be paid for Administrative Services performed for that Financing District prior to such termination. In the event of termination of the Administrative Services, as of the effective date thereof, the Coordinating District shall be fully relieved of any and all obligation to provide such Administrative Services.

b. O&M Services. The Financing Districts' obligation to remit revenues to the Coordinating District, and the Coordinating District's obligation to provide the O&M Services, shall only terminate after a written notice has been provided by one of the Districts to the other Districts and an agreement is approved by each of the Financing Districts setting forth the matters required in this Section 11(b) (the "**Termination Agreement**"). It shall be required that any such Termination Agreement contain provisions to ensure that the Public Improvements are operated effectively and economically and that the public health, safety, prosperity, and general welfare of the residents and property owners within the Districts will be better served by the termination. Such Termination Agreement shall be required to include: (1) a plan for the manner in which ownership of the Public Improvements and ownership and maintenance shall be allocated and transferred as between the Districts; (2) a plan for payment associated with any outstanding obligations of the Coordinating District, as the same are incurred prior to the proposed date of termination; (3) to the extent any of the Public Improvements have been financed directly by the Coordinating District and such obligations remain outstanding, a plan for the payment of all such obligations and/or debts; and (4) the manner in which outstanding agreements of the Coordinating District may be terminated, cancelled, assigned or otherwise handled. The Termination Agreement shall be required to include an indemnification from the Financing Districts to the Coordinating District, which shall be acceptable to the Coordinating District and indemnify it against all injuries, losses and other events of damage associated with any such outstanding agreements.

In the event the Districts are not able to reach an agreement, they shall submit the issues to mediation and shall make a good faith effort to come to an agreement with the intent of reaching a cooperative solution that will best serve the residents and property owners of the Districts, as a whole. At such time as the provisions of the Termination Agreement are finalized in compliance with the requirements above, the Public Improvements shall be transferred in accordance with the provisions of the Termination Agreement and the Coordinating District shall be fully relieved of all further obligations absent any such obligations being specifically agreed to by the Coordinating District pursuant to the terms of the Termination Agreement.

12. Miscellaneous.

a. Relationship of Parties. This Agreement does not and shall not be construed as creating a joint venture, partnership, or employer-employee relationship between the Districts. The Districts intend that this Agreement be interpreted as creating only an ordinary contractual

relationship between them, without any fiduciary or other special duties. The Districts hereby incorporate the RECITALS into this Agreement. It is also agreed that the conduct and control of the work and functions required by this Agreement shall lie solely with the Coordinating District which shall be free to exercise reasonable discretion in the performance of its duties under this Agreement. No District shall, with respect to any activity, be considered an agent or employee of any other District.

b. Assignment. Except as set forth herein or as contemplated in the Service Plan, neither this Agreement, nor any of a District's rights, obligations, duties or authority hereunder may be assigned in whole or in part by any District without the prior written consent of all the other Districts. Any such attempt of assignment without the requisite consent shall be deemed void and of no force and effect at the election of any District with consent rights. Consent to one assignment shall not be deemed to be consent to any subsequent assignment, nor the waiver of any right to consent to such subsequent assignment. Notwithstanding, nothing contained herein shall prohibit the Coordinating District from engaging contractors, consultants, employees or other third parties to perform the Services or any portion thereof, on behalf of the Coordinating District.

c. Modification. This Agreement may be modified, amended, changed or terminated, except as otherwise provided herein, in whole or in part, only by an agreement in writing duly authorized and executed by the Districts. No consent of any third party shall be required for the negotiation and execution of any such agreement.

d. Integration. This Agreement contains the entire agreement between and among the Districts regarding the subject matter hereof, and no statement, promise or inducement made by any District or the agent of any District that is not contained in this Agreement or separate written instrument shall be valid or binding.

e. Severability. If any covenant, term, condition or provision of this Agreement shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such covenant, term, condition or provision shall not affect any other provision contained in the Agreement, the intention being that such provisions are severable. In addition, in lieu of such void or unenforceable provision, there shall automatically be added as part of this Agreement a provision similar in terms to such illegal, invalid or unenforceable provision so that the resulting reformed provision is legal, valid and enforceable.

f. District Dissolution. In the event any District seeks to dissolve pursuant to §§ 32-1-701, *et seq.*, C.R.S., as amended, it shall provide written notification of the filing or application for dissolution to the other Districts concurrently with such filing. No District shall seek to dissolve so long as this Agreement is in effect without the prior written consent of the other Districts.

g. Survival of Obligations. Unfulfilled obligations of the Districts arising under this Agreement shall be deemed to survive the expiration of this Agreement or termination of this Agreement by court order. Said obligations shall be binding upon and inure to the benefit of the Districts and their respective successors and assigns.

h. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Colorado. Venue shall be proper in the county in which the Districts are located.

i. Headings for Convenience Only. The headings, captions and titles contained herein are intended for convenience and reference only and are not intended to construe the provisions hereof.

j. Time Is of the Essence. Time is of the essence hereof; provided, however, that if the last day permitted or the date otherwise determined for the performance of any act required or permitted under this Agreement falls on a Saturday, Sunday or legal holiday, the time for performance shall be extended to the next succeeding business day, unless otherwise expressly stated.

k. Persons Interested Herein. Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon, or to give to, any Person other than the Districts, any right, remedy, or claim under or by reason of this Agreement or any covenants, terms, conditions, or provisions thereof, and all of the covenants, terms, conditions, and provisions in this Agreement by and on behalf of the Districts shall be for the sole and exclusive benefit of the Districts acting through their respective Boards. This Agreement shall be construed as an intergovernmental agreement among the Districts only. It is expressly agreed by the Districts that no Person other than the Financing Districts shall obtain any enforceable rights to service from the Coordinating District, and, to this end, it is expressly declared by the Districts that no Person shall be construed as a third party beneficiary of any kind of this Agreement except as expressly stated herein.

l. Notices. Except as otherwise provided herein, all notices required under this Agreement shall be in writing and shall be (a) hand-delivered, and in such instance, considered effective upon delivery, (b) sent by registered or certified mail, return receipt requested, postage prepaid, and in such instance, considered effective seventy-two (72) hours after deposit in the United States mail with the proper address as set forth below, (c) sent by reputable overnight courier, and in such instance, considered effective on the next business day, or (d) sent via email, and in such instance considered effective upon receipt of an electronic delivery confirmation with a hard copy to be sent no later than three (3) business days after electronic delivery confirmation via one of the delivery methods specified in (a), (b) or (c) of this sentence, to the addresses of the Parties herein set forth. Any party by notice so given may change the address to which future notices shall be sent.
