

Welcome To Prairie Song!

Congratulations on your new home!

Don't forget to call Ram Waste Systems (970-226-3396) to sign up for your waste removal services. We're your neighborhood's preferred service provider!

While the removal of your solid waste is a vital service, we know it's not always on your mind when moving, so we'd like to remind you to **call us to set up service at your earliest convenience; our customer service representatives are available to help you (Mon-Thur, 8 a.m.-5 p.m. & until 4 p.m. on Fridays).** Be sure to identify yourself as a Prairie Song resident.

Your neighborhood has selected us, Ram Waste Systems, as its preferred solid waste & recycling service provider. We've been providing quality service throughout Northern Colorado for 40 years!

We're happy to provide our customers with easy-to-use karts. Our 95-gallon karts feature attached lids that won't get lost and help keep items inside so your neighborhood stays clean. Their wheels make them easy to move. And our natural color scheme blends seamlessly with Colorado's aesthetics! They're the highest quality kart in the industry, and we warranty any repairs necessitated by normal wear & tear.

If you ever need to get rid of a larger bulk item (furniture, mattress, TV, etc.), please call us in advance to notify us so that we can send the appropriate truck and inform you of any associated pricing. Temporary dumpster/roll-off services are also available.

We look forward to serving you!

Sincerely,

Ram Waste Systems, Inc.
