

**RESOLUTION
OF THE BOARD OF DIRECTORS OF
PRAIRIE SONG METROPOLITAN DISTRICT NO. 8**

ADOPTING AMENDED AND RESTATED RULES AND REGULATIONS

WHEREAS, pursuant to the authority contained in Title 32, Article I, Part 10, C.R.S., and § 29-1-203, C.R.S., Prairie Song Metropolitan District No. 8 (the “**District**”) adopted its Amended and Restated Rules and Regulations on March 27, 2024 (the “**Prior Rules and Regulations**”); and

WHEREAS, pursuant to the authority contained in Title 32, Article I, Part 10, C.R.S., and §29-1-203, C.R.S., the District has the authority to amend the Prior Rules and Regulations from time to time; and

WHEREAS, the District desires to revise the Prior Rules and Regulations to reflect industry best practices and current development plans; and

WHEREAS, the District has determined that it is necessary and in the best interest of its service users to amend and restate the Prior Rules and Regulations as set forth in herein.

NOW, THEREFORE, BE IT RESOLVE BY THE BOARD OF DIRECTORS OF THE DISTRICT (THE “**BOARD**”), AS FOLLOWS:

1. Amended and Restated Rules and Regulations. Effective as of the date of this Resolution, the Prior Rules and Regulations are hereby amended and restated in the form attached hereto as Exhibit A, to be in effect until subsequently amended by the Board by resolution.

2. Severability. If any portion of this Resolution is declared by any court of competent jurisdiction to be invalid, void or unenforceable, such decision shall not affect the validity of any other portion of this Resolution which shall remain in full force and effect, the intention being that such portions are severable. In addition, in lieu of such void or unenforceable provision, there shall automatically be added as part of this Resolution a provision similar in terms to such illegal, invalid or unenforceable provision so that the resulting reformed provision is legal, valid and enforceable.

3. Ratification. All provisions of the Prior Rules and Regulations not expressly modified by this Resolution shall remain unchanged and in full force and effect. In the event of any express conflict or inconsistency between the terms of the Rules and Regulations and this Resolution, this Resolution shall control and govern.

ARTICLE I - PURPOSE AND SCOPE OF RULES AND REGULATIONS

1.1 General Purpose and Authority

The purpose of these Rules and Regulations is to provide for the orderly management, maintenance, operation, and control of the non-potable irrigation water system, facilities, and improvements (the “**Irrigation System**”) of Prairie Song Metropolitan District No. 8 (the “**District**”). The District is a governmental entity and political subdivision of the State of Colorado with all powers of a public or quasi-municipal corporation which are specifically granted or implied for carrying out the objectives and purposes of the District.

The District and Prairie Song Metropolitan District Nos. 3, 4, 5, 6, and 9 entered that certain District Coordinating Services Agreement dated as of June 30, 2022 (the “**Coordinating Agreement**”). Pursuant to the Coordinating Agreement, the District acts as the “Coordinating District” and Prairie Song Metropolitan District Nos. 3, 4, 5, 6, and 9 act as “Financing Districts.” The District, as the Coordinating District, will own, operate, and maintain all Public Infrastructure within the boundaries of the Financing Districts that are not otherwise dedicated or conveyed to the Town of Windsor, Weld County, another public entity, or are not otherwise owned, operated, and maintained by the Financing Districts, including the Irrigation System

These Rules and Regulations are promulgated and adopted pursuant to the provisions of Section 32-1-1001(1)(m), Colorado Revised Statutes, as the same may be amended from time to time. The Board of Directors of the District (the “**Board**”) has determined to adopt these Rules and Regulations in order to assist the District, the public, and the Manager, and Consultants in implementing the decisions and policies of the Board. Any Person desiring to use the District’s Irrigation System shall comply with these Rules and Regulations. The Manager and Consultants shall utilize these Rules and Regulations as a tool for assuring proper treatment of Persons within the Service Area and fair responses to issues which confront the District. The Manager or Consultants shall provide copies of these Rules and Regulations to any Person who requests them. No Person shall be entitled to any exemption from the applicability of these Rules and Regulations due to the failure of that Person to become familiar with policies and standards of the District contained herein, as such policies may be amended or supplemented from time to time.

1.2 Public Health, Safety and Welfare

It is hereby declared that the Rules and Regulations serve a public interest and are necessary for the protection of the health, safety, prosperity, security, and general welfare of the public and the property owners of the District.

1.3 Scope of Rules and Regulations

These Rules and Regulations shall be treated and considered as a new and comprehensive regulations, governing the operations and functions of the Irrigation System and shall supersede all previous versions of Rules and Regulations as well as informal practices and policies of the District, which practices and policies may be in conflict with the provisions hereof.

1.4 Rules and Regulations of Other Governmental Entities

Customers and Owners shall abide by all applicable local, state and federal laws, policies, codes, rules and regulations, as the same may be amended from time to time.

1.5 Limitation of Liability of District

Service from the District is a privilege. As partial consideration for said privilege, the Developer, Owners, and Customers agree that, except as provided by the Colorado Governmental Immunity Act, §§ 24-10-101 *et seq.*, C.R.S., as the same may be amended from time to time (“**Colorado Governmental Immunity Act**”), no claim for damage shall be made against the District for any reason including, but not limited to the following: damage caused by testing of lines; breakage of any portion of the Irrigation System; interruption of Service and the conditions resulting from; failure of the water supply; shutting off or turning on of water; making of connections or extensions; damage caused by water running or escaping from open or defective faucets and appliances; damage to appliances of landscaping resulting from shutting water off or turning it on, or from inadequate or sporadic pressures; or from inadequate water delivery; or for doing anything to the Irrigation System deemed necessary by the District or its agents. Except if required and as provided by the Colorado Governmental Immunity Act the District shall have no responsibility for notification to the Developer, Owner, or Customer of any of the foregoing conditions. The District reserves the right to temporarily discontinue Service to any Property at any time for any reason deemed necessary or appropriate by the District.

Nothing in these Rules and Regulations may be deemed a waiver by the District of any rights under Colorado Law, including but not limited to, the Colorado Governmental Immunity Act. No act or inaction by the District shall be construed as a waiver in whole or in part of the protections provided by the Colorado Governmental Immunity Act unless expressly and formerly resolved by the Board.

1.6 Conflicts

In case of any conflict between any provision of these Rules and Regulations, the District shall be entitled to resolve such conflict in its own favor at the District’s sole discretion, it being the intention of the Board that these Rules and Regulations shall be construed or interpreted by the District in such manner so as to maximize the ability of the District to govern and manage the District and its services and facilities.

To the extent that any of the District’s Rules and Regulations are inconsistent with any valid and applicable regulations promulgated by any state, or federal agency, the regulations of the state or federal agency shall govern.

1.7 Amendment, Modification, Waiver or Suspension

These Rules and Regulations may be amended, modified, waived or suspended, from time to time, by the Board, as it deems appropriate. Neither notice of such amendments, modifications, waivers, or suspensions nor public hearing shall be required to be provided by the District prior to exercising its amendment, modification, waiver, or suspension powers. The District has the power to revise its Rules and Regulations from time to time by formal action of the District and has

authority to waive the application of its Rules and Regulations to its own activities, or to the activities of others. Any formal action of the District to revise, amend or modify these Rules and Regulations shall be deemed incorporated herein notwithstanding whether such revision, amendment, or modification is codified herein. Supplemental policies of the District may be adopted from time to time in order to assist the District and its Consultants in managing the affairs of the District. When possible, copies of such policies and amendments shall be attached hereto as appendices. The District shall have the sole authority to amend, waive, suspend, or modify these Rules and Regulations. Any Person claiming the benefit of such a waiver, suspension, or modification shall be required to obtain a written waiver signed by the Manager. No refusal, failure, or omission of the District or its agents to apply or enforce these Rules and Regulations shall be construed as an alteration, waiver, or deviation from any grant of power, duty, or responsibility, or any limitation or restriction upon the District by virtue of statutes now existing or subsequently amended, or under any contract or agreement existing between the District and any other entity. Any express waiver shall not be deemed an amendment of these Rules and Regulations. However, an express waiver or variance from these Rules and Regulations by the District shall supersede these Rules and Regulations regarding the subject matter of the express waiver. No waiver shall be deemed a continuing waiver.

1.8 Severability

The invalidity or unenforceability of any portion or previous version of these Rules and Regulations shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from these Rules and Regulations and the balance of these Rules and Regulations shall be construed and enforced as if these Rules and Regulations did not contain such invalid or unenforceable portion or provisions.

ARTICLE II – DEFINITIONS

Unless the context specifically states otherwise, the meaning of the following terms when used herein shall be as set forth below:

2.1 Actual Cost – Shall mean all direct costs applicable to the construction or repair of a given facility, main or service line, including construction, engineering, inspection, plan approval fees, etc.

2.2 Ball Valve – Shall mean the ¾” brass ball valve used as multi-purpose shut off valve installed on the lot line of a property. (homeowner ownership & maintenance)

2.3 Board or Board of Directors – Shall mean the Board of Directors of the District which acts as the governing body of the District.

2.4 Consultant – Shall mean any Person who provides advice within a field of specialized knowledge or training and performs professional, executive, or managerial services for the District.

2.5 Customer – Shall mean any Person who is connected to or physically using the Irrigation System (e.g., homeowners, lot owners, etc.).

- 2.6 Design Guidelines** – Shall mean the Prairie Song Design Guidelines (Fall 2023).
- 2.7 Developer** – Shall mean Prairie Song Development, LLC, a Colorado limited liability company.
- 2.8 District** – Shall mean Prairie Song Metropolitan District No. 8, a quasi- municipal corporation and political subdivision of the State of Colorado.
- 2.9 District Engineer or Engineer** – Shall mean the Person, or duly authorized representative thereof, who is contracted to do engineering work for the District.
- 2.10 District Facilities** – Shall mean all improvements and appurtenances of the Irrigation System constructed by or for the District and which have been accepted by and are owned by District, including those portions of a Service Line up to and including the Valve Box, with the exception of the Owner Facilities.
- 2.11 Extraterritorial User** – Shall mean a property outside of the Service Area that the District determined to provide with Service in accordance with the terms set forth in Section 4.2.1 herein.
- 2.12 Irrigation System** – Shall mean the District’s Non-Potable Water distribution system, all sources, facilities, main lines, valves, stub-ins/stub-outs, pumps, conduits, pipes, receptacles, fixtures, equipment, and all other appurtenances which are owned by the District and used to convey and store Non-Potable Water use within the Service Area of the District.
- 2.13 Landscaping** – Shall mean the turf, shrubs, trees, and other plant material, including ground cover materials (rock and mulch) located on a Property.
- 2.14 Main Line** – Shall mean a District-owned water pipeline within the Service Area, carrying Non-Potable Water only and used primarily for irrigation, installed in rights-of-way, parcels, easements or other property interests approved by the District.
- 2.15 Manager** – Shall mean any Person, or duly authorized representative thereof, retained by the Board to administer and supervise the affairs of the District.
- 2.16 Non-Potable Water** – Shall mean water not safe for human consumption or water that does not meet the requirements set forth in the State of Colorado Primary Drinking Water Regulations, as the same may be amended from time to time. The Non-Potable Water is not filtered.
- 2.17 Point of Connection** – Shall mean the electronically controlled locations within the Irrigation System that provide water service to multiple Properties.
- 2.18 Owner** – Shall mean the Person owning a fee interest in Property within the Service Area of the District that is connected to the Irrigation System.

2.19 Owner Facilities – Shall mean all improvements and appurtenances of the Irrigation System constructed by or for the Owner on Owner’s Property, including those portions of a Service Lines from the Ball Valve onto Owner’s Property.

2.20 Person – Shall mean any individual, firm, company, society, corporation, association, organization, partnership, group, government or subdivision thereof, or other entity.

2.21 Property – Shall mean any parcel of land established by a recorded final subdivision plat and which is located within the Service Area.

2.22 Rules and Regulations – Shall mean the Rules and Regulations adopted by the District including all amendments, policies, and resolutions.

2.23 Service – Shall mean the provision of Non-Potable Water service by the District to a Customer.

2.24 Service Area – Shall mean the legal boundaries of Prairie Song Metropolitan District Nos. 3-6, 8 and 9, as may be amended from time to time pursuant to state law.

2.25 Service Line – Shall mean the service line extending from the Non-Potable Water Main to the Property it serves.

2.26 Service Plan – Shall mean the Amended and Restated Consolidated Service Plan for Greenwald Farms Metropolitan District Nos. 1 and 2, Amended and Restated Service Plan for Tacincala Metropolitan District Nos. 1-5, and Service Plan for Prairie Song Metropolitan District Nos. 8-9 unified into the Consolidated Service Plan for Prairie Song Metropolitan District Nos. 1-9, approved by the Town of Windsor on September 17, 2021, and any amendments thereto.

2.27 Valve Box – Shall mean the rectangular enclosure with a purple lid that houses the Ball Valve and other key portions of the private point of connection to the Irrigation System.

2.28 Watering Schedule – Shall mean the schedule of times that Non-Potable Water will be available for Owners’ use on their Property, as set forth in Section 4.5.1.

2.29 Watering Season – Shall mean the period of the year extending from when the Irrigation System is turned on by the District in the spring to the time when the Irrigation system is Winterized by the District. The Watering Season shall be approximately May through October each year.

ARTICLE III – OWNERSHIP, CONSTRUCTION, OPERATION, MAINTENANCE, AND INSPECTION OF FACILITIES

3.1 Policy

The District is responsible for the operation and maintenance of the Irrigation System in a sound and economical manner; it shall not be liable or responsible for inadequate treatment of Non-Potable Water or interruption of Service brought about by circumstances beyond its control.

3.2 District Facilities

3.2.1 Ownership of District Facilities

The District shall own the District Facilities, provided that any District Facilities not constructed by the District have been finally accepted by the District. The District shall be permitted to convey, transfer, or otherwise dispose of any District Facilities for any reason as determined in its sole discretion.

Private Point Of Connection Ownership Boundaries

3.2.2 Inspection, Approval and Acceptance of District Facilities

Inspection, Approval, and Acceptance of District Facilities constructed by the Developer shall be in accordance with the Infrastructure Acquisition and Reimbursement Agreement dated June 20, 2023.

3.2.3 Operation and Maintenance

The District shall be responsible for the maintenance, operation, repair, and replacement of the Irrigation System, provided that District Facilities not constructed by the District have been granted final acceptance by the District as further described in Section 4.2.3 of these Rules and Regulations.

3.2.4 Owner Facilities

The Owner shall own and be responsible for the construction, installation, connection, maintenance, repair, and replacement of the Owner Facilities, at Owner's sole cost. Owners have access to the Valve Box to maintain those portions of the Owner Facilities located in the Valve Box. In the event that an Owner, Customer, or agent thereof damages the Valve Box, the District

shall repair and/or replace the Valve Box and the Owner shall be responsible for the Actual Cost of such repair or replacement. Annual turn-on and shut-off, draining, and servicing of the Owner Facilities shall be the responsibility of the Owner.

3.3 District Right of Entry

Duly authorized representatives of the District, including but not limited to Consultants, bearing proper credentials and identification shall be permitted, and are hereby expressly granted the right, to work within all Property connected to the Irrigation System for the purpose of inspection, repairs, or any other reasonable purpose in accordance with the provisions of these Rules and Regulations.

Except in the case of emergency, the District shall attempt to provide the Owner with forty-eight (48) hours' notice of entry.

ARTICLE IV – USE OF IRRIGATION SYSTEM

4.1 General

The District's Irrigation System was designed and constructed to provide Non-Potable Water for irrigation uses within the Service Area Extraterritorial Users with an emphasis on water conservation. The Irrigation System is constructed to detect leaks and rainfall, and to shut off the flow of Non-Potable Water accordingly.

All outside irrigation of Landscaping shall use water from the Irrigation System. No potable water shall be used for the irrigation of Landscaping at any time. Owners shall be required to connect sprinkler and irrigation systems to the Irrigation System. All automatic sprinkler and irrigation systems shall be equipped and designed for use with the Irrigation System, which may contain particulate matter or other foreign substances from time to time. Violation of this requirement, including by third party contractors, shall be deemed to be an unauthorized connection and tampering with the Irrigation System, subject to the enforcement provisions and penalties set forth in Article VII of these Rules and Regulations.

4.2 Who May Use

Service will be furnished to any Property connected to the Irrigation System, subject to the District's Rules and Regulations and to the fees, rates, tolls, charges, and penalties imposed by the District.

4.2.1 Extraterritorial Service Policy

The primary purpose of the District's Irrigation System is to serve the irrigation needs of the Properties within the Service Area. The District may, from time to time and on a case-by-case basis, determine to provide Service to an Extraterritorial User subject to contract terms to be negotiated with the Extraterritorial User in return for consideration received by the District pursuant to such agreement. In reviewing whether to provide Service to an Extraterritorial User, the District will consider the following criteria:

1. Capacity availability of the Irrigation System, including the reasonably foreseeable needs of the Properties within the Service Area.
2. Feasibility of connection of the Extraterritorial User to the Irrigation System
3. Anticipated cost of providing Service to the Extraterritorial User

The District will not approve connection by an Extraterritorial User where the connection would (1) impair Service to existing or anticipated Properties within the Service Area and/or (2) have a negative financial impact on the District.

4.3 Authority to Uncover, Use or Alter District Facilities

No Person shall uncover, make any connection with or opening into, use, alter or disturb any of the District Facilities without first obtaining a written permit from the District, unless authorized directly by the District.

4.4 Construction

The District has sole authority to plan, finance, design and construct, or acquire all District Facilities.

4.5 General Rules of Use

4.5.1 Watering Schedule

In order that the Irrigation System can continue to operate at optimum levels and provide adequate water pressure to Owners, the District has established a Watering Schedule for Properties within the Service Area. Exhibit A shows the Service Area broken down into color coded areas. Each color coded area is assigned specific times for irrigation, as set forth in Exhibit A. The Watering Schedule applies during the Watering Season.

Owners may only use the Irrigation System for irrigation during the windows set forth in the Watering Schedule, except by special permission provided by the District. Failure to adhere to the Watering Schedule may result in the Owner being assessed a fine or penalty.

4.5.1.1 Establishment of Landscaping

When an Owner intends to install new Landscaping or replace a significant portion of the Landscaping on the Owner's Property, the Owner must provide the District with a Notice of Installation at least 2 business days' prior to commencement of the work. The Owner must also comply with the Design Guidelines regarding installation of or changes to Landscaping.

Following the installation of new Landscaping or replacement of a significant portion of the Landscaping on the Owner's Property, the District will permit the Owner to utilize the Irrigation System outside of the Watering Schedule to establish such Landscaping for a period of time not to exceed one calendar year following installation of such Landscaping.

4.5.1.2 Testing and Repairs of Owner Facilities

An Owner may apply to the District for special permission to utilize the Irrigation System outside of the Watering Schedule for the purpose of testing or repairing Owner Facilities. To apply for such special permission, the Owner must submit a Request for Water Access to the District at least 2 business days prior to the day that the Owner intends to perform the testing or repairs. In the event of a leak or similar urgent situation, the Owner may contact the District Manager and request expedited access to the system.

4.5.2 Winterization

The Irrigation System is constructed for centralized winterization and spring restarting. The District will provide for annual winterization for the District Facilities and provide times for Owners to winterize their Owner Facilities. The District will provide Owners with at least 15 days' notice of annual winterizations timeframes.

In the event that an Owner fails to winterize the Owner Facilities during the District's annual winterization, then Owner shall be responsible for winterization of the Owner Facilities at Owner's sole expense. If an Owner's failure to winterize the Owner Facilities damages the District Facilities, the District shall make the necessary repairs to the District Facilities and the Owner shall be responsible for the Actual Cost of such repair or replacement.

4.6 Call Before You Dig

Before an Owner or any Person begins any work requiring digging near the District Facilities, the Owner shall comply with the Colorado requirements requiring utility location. Additional information may be found at <https://www.colorado811.org/>

4.7 Compliance with Other Applicable Regulations

Owners shall abide by all provisions of these Rules and Regulations and all applicable local, state and federal laws, policies, codes, rules and regulations, as the same may be amended from time to time.

4.8 Prohibited Acts

4.8.1 Unauthorized Persons

No unauthorized Person shall connect to or disconnect from, cover, uncover, use, alter, disturb, shut off, or open District Facilities without first obtaining written authorization from the District.

4.8.2 Unauthorized Connection to System

No unauthorized Person shall be allowed to connect to or disconnect from the Irrigation System or to enlarge or otherwise add to or change equipment without prior written approval of the District.

Upon the discovery of any unauthorized connections, the Owner may be subject to the provisions of Article VII of these Rules and Regulations.

4.8.3 Prohibited Use of Irrigation System and Prohibited Acts

Prohibited uses of the Irrigation System includes, but is not limited to an unauthorized connection or disconnection of Service Lines, tampering with, shutting off, or in any way modifying any part of the District Facilities, or modifying Service Lines in any way that violates these Rules or Regulations.

No Person shall maliciously, willfully, or negligently, break, damage, destroy, cover, uncover, deface, or tamper with any portion of the Irrigation System. No Person shall violate any provisions of these Rules and Regulations. The District may pursue to the limits of local, state, and/or federal laws any Person that causes damage to the System.

4.8.4 Obstruction of Easements or Rights-of-Way

No Person shall obstruct or impede the usage of District easements or rights-of-way in any manner that may prevent unrestricted access to and use of the easements or rights-of-way by duly authorized employees, agents, or representatives of the District unless such obstructions are specifically permitted by the District or the terms of the agreement granting the easement to the District.

4.9 Penalties

Any Person violating any of the provisions of these Rules and Regulations may be subject to the enforcement provisions and penalties set forth in Article VII of these Rules and Regulations.

ARTICLE V – FEES, RATES AND CHARGES

5.1 General

The Board is empowered to fix and from time to time to increase or decrease fees, rates, tolls, penalties or charges for services, programs, or facilities furnished by the District pursuant to Section 32-1-1001(1)(j)(I), C.R.S., as amended from time to time. The District's Fee Schedule, policies, and procedures are set forth in the District's Resolution Regarding the Imposition of Service Fees and Resolution Establishing Guidelines for the Collection of Delinquent and Charges, as such resolutions may be amended from time to time. Such Resolutions are available on the District's official website.

ARTICLE VI – ENFORCEMENT, VIOLATIONS AND PENALTIES

6.1 Violations

Any intentional or negligent action taken by a Person in contravention of these Rules and Regulations shall be considered a violation and is subject to the provisions of this Article.

6.2 Enforcement Remedies

Enforcement of these Rules and Regulations shall be in accordance with the provisions of the District's Resolution Regarding Policies, Procedures, and Penalties for the Enforcement of the Governing Documents, as such resolution may be amended from time to time. Such resolution is available on the District's official website.
